

# uPortal Developers Meeting at JHU - 2007.04

## Meeting Minutes

[Detailed Minutes](#)

## Date and Time

April 23 and 24 (Monday and Tuesday), 2007  
9 AM to 4 PM each day

Developers are encouraged to stay for the remainder of the week (April 25 - 27) for a coding session. A wireless internet connection will be available, but developers will need to bring their own laptops. The purpose of this coding session is to give developers a chance to work together in person on the coding of uPortal 2.x and uPortal 3.

## Host and Location

Johns Hopkins University  
5801 Smith Ave.  
Baltimore, MD 21209

## Directions to Campus

The meeting will be held at:  
[Mt. Washington Conference Center](#)  
[Conference Center Maps and Directions](#)

Campus Maps:  
[MAP LINKS](#)

## Remote Attendance

Video conferencing options are available, please contact [Chris Doyle](#) for more information and to verify your conferencing solution will work.

H.323(ip) or H.320(isdn) capable endpoints (Polycom, Tandberg, etc.) are required to be connected into the conference.
